Policy 1.1 - JG Craig Competition Extreme Weather Policy

If there is adverse weather forecast (extreme heat) for the scheduled playing day, the VSDCA Board may decide to cancel all games or declare an 'Extreme Weather Day'.

On declared 'Extreme Weather Days' the Craig Competition Management Committee has the authority to do the following:

- Amend the commencement time of games.
- Amend the number of overs required to be bowled to constitute a game (the minimum number of overs being 20 overs each side).
- Amend the maximum number of overs allowed to be bowled by each bowler in an innings, as well as the maximum number of consecutive overs.
- Amend the time of the Luncheon interval.
- Cancel games.

On days where an 'Extreme Weather Day' has been declared, play will cease immediately a result is achieved.

PLEASE NOTE: No person is obliged to participate in any game and clubs shall place no pressure on any participant if he or she considers withdrawing from any part of a game for health reasons.

The objective in changing Competition Rules is to have games completed in a safe environment for all our participants (Players & Umpires) and for games to be completed prior to reaching the maximum temperature on that day.

Adopted by the VSDCA Board (October 2009)
