Chairman's Report

My final report, after 17 years on the Board and 14 years as Chair, I feel the time is right to hang the boots up.

I have loved the journey and Subbies is a unique competition. It covers all areas of Melbourne Metropolitan and if we include junior teams, veterans outside our normal competition, Veterans, Female Teams, we are talking in the range of 8,000 participants under the control of VSDCA Clubs. So, appreciate all the support from the 32 Clubs.

I have made numerous friends on the journey and trust I can still be welcome back to the Clubs in future years.

Special thanks to our CEO Ken Hilton. Over the years Ken & I have had hundreds of meetings discussing fixtures/ planning/ issues/ cricket matters & non cricket. We have worked very closely together and with Ken's outstanding administration skills & his deep love of cricket it has been a pleasure to work alongside him over the years.

You realise upon reflection, when I look at our Board and it dawns upon me how many have given longer service than me. Geoff Hart- Deputy Chair, has been a diligent and conscientious worker who has run Cricket Operations and Umpires for many years, David Anning our Finance Director has been taking on more and more duties in last few years with Play HQ coming on board and greater involvement in running of Craig Competition, Neil Burns who is about to step into my shoes has become more and more involved recently in running of Subbies – always one to step up re points assessment and proxy Delegate to Cricket Victoria, James Sheehan based in Sydney but remains a great contributor when Ken & I are looking for another opinion, James has a great understanding of Subbies workings, Geoff Richardson - our other Delegate to Cricket Victoria, who manages our State Game and provides lots of cricket experience and is a deep thinker of the game, Brendan Davey our most recent member overseeing the introduction North-West Sunday Competition and finally Rohan Pollard who's been around for over 10 years and has a wealth of club knowledge and management experience.

I am indebted to this group for the support they have given me and the contribution they all make to the running of this great Association.

Congratulations to Preston and Caulfield on their dominant performances in the Final's. Preston had a marvellous season going through undefeated and Caulfield winning from sixth position was indeed a superb effort. Our Val Holten Medallist was Sahan Perera from Noble Park CC with an amazing 1,071 runs and 35 wickets. His second consecutive win. On top of this he made 100no in the State Game against the VCCL and another century in a T20 Twilight Competition.

In other Finals, 2nd X1, the Premiers were Balwyn and Werribee, 3rd X1 Div 1, Brunswick and Caulfield, in Div 2 Taylors Lakes and Elsternwick, 4th X1 Div 1, Brunswick and Mt Waverley, Div 2 Coburg and Ormond and in our inaugural North-West Sunday Competition, Werribee.

Congratulations to all our winning teams.

Winner of the Jim Earle Medal in 2nd X1 was Lachlin Baker of the Elsternwick, William Tucknott Medal winner in Div 1 3rd X1 was Lachlan Bamford from Preston, in Div 2 the Geoff Hart Medal for player of the year was Patrick Homberg from Elsternwick, 4th X1 Div 1 winner of Ted Plant Medal was John Damiano from Brighton, the Daryl Thiele Medal in Div 2 was Zack Lassey from Coburg and in our N-W Sunday Competition the winner was Jatin Agarwal from Melton.

Our Under 21 Best Player Award (Anthony Gale Medallist) was won by Jakey Pietz of Bayswater with 102 runs & 26 wickets @ 19.4. The K.G Fewster Club Championship was won by Brunswick and the Spirit of Cricket Award was won by Mt Waverley. Turf Pitch Awards Noble Park won the North-East and Williamstown won the South-West. Hoppers Crossing won the T20 Twilight Competition and Brighton was successful in winning the JG Craig Final.

The Craig Competition remains an important part of development for turf cricket and this Under 15 tournament is a great recruiting venue for VSDCA Clubs and Premier Clubs.

At our Hatch Dinner this year, we inducted 2 new members into the Hall of Fame. One very well known to us all in Anthony "Butch " Gale and the other member not known by any of us in W.J. (Bill) Price.

Looking at the past records, Bill Price was a Delegate for Port Melbourne from 1937 for 37 years and for 27 years as Secretary of VSDCA. Bill was driving force behind Association expansion from 12 Clubs to 24 Clubs in the 1964-65 season. An enormous number of years devoted to cricket administration.

Butch Gale played 432 1st X1 games for Melton with 546 games all together, scoring 11,393 runs which is the VSDCA Record (16 Centuries & 52 half centuries) and played in 5 x Premierships. Currently holds position of President at Melton and Delegate since 2018/19.

He has made a remarkable contribution to both the Melton Cricket Club and the VSDCA.

Well deserved to both inductees.

Life Members inducted into VSDCA this year were: Neil Burns -Altona, Stephen Wilson -Preston, Rohan Pollard – Bayswater, Ken Trollope -Box Hill, Keith Thompson -VCCL and Brenton Hodges on playing 300 1st XI games for Williamstown.

Vale to two of our longest serving servants in Subbies, namely Peter Flack and Daryl Thiele.

Peter held position of Assistant Secretary until his death at 85 in June this year. He loved managing the Craig Competition and it became his "baby' over the last 10 years. Peter loved

sport. He coached football and cricket and had a great eye for talent. A Life Member of Coburg & VSDCA, it was very timely he was inducted into the Hall of Famer last year. Phoning scores on Saturday nights will be a thing of the past. I thank him for supporting me on all matters cricket, he will be a big loss. We can only thank him for a lifetime of work for cricket.

Daryl Thiele was Secretary of the Association from 1996-2008. A great friend of Ken Fewster and team mate at Box Hill. Daryl took a great interest in all matters that went to print. He was strong on his views. He died at 83 earlier this year and was also a great friend of Flacky.

Both gentlemen were major contributors to our Association and people with this level of commitment are hard to replace.

To our umpiring fraternity, with Col Newport and his team we are forever grateful to have such a team who put in year after year. Numbers seem to be growing so our players are fortunate to always have an umpire at every game. Once again, a big thank you to Benny Goodman as Umpires Coach, Neill Murray as Appointments Secretary and John Doig as Recruiting.

These gents have been on board for many years so we appreciate their work.

Thanks to our sponsors: namely Kookaburra Sports, Bendigo Bank-East Malvern Branch and Club Connect along with our twenty-two Councils who provide wonderful facilities for all 32 Clubs.

To our friends at Cricket Victoria, Ross Hepburn (Chair), Nick Cummins (CEO), Liam Murphy GM Community Cricket, all Board members and staff, we appreciate your support.

Another highlight during the season was our Annual game against the VCCL at the Junction Oval. We were delighted this season to take the points. The home of cricket is a wonderful venue, and we must aim to always play this game there. Thanks to Keith Thompson and the VCCL who hosted the day. Every year our selectors let my Paul "Tiger" Bain choose a Team of the Year. Congratulations to the following names: Lachlan McKenna (Spotswood), Shakeel Ahmad (Preston), Rishi Patel (Bayswater), Sahan Perera (Noble Park), Vaibhav Deshpande (Captain,Preston) Jacob Thorne (Caulfield) Nishal Perera (St Bernards OC), Justin Goegan (W/K- Hoppers Crossing), Shenuka De Silva (Mt Waverley) Harshit Takkar (Hoppers Crossing), Dan Houghton (Brunswick) and Dan Schuppan (Spotswood).

We are extremely fortunate to have two very hands-on Patrons in Ken Jacobs OAM and Jack Sheehan. Ian Crawford AM, our very long-term Chair of Investigations, Stephen Potter Hon Auditor, David Priddle and Peter Vesty as Association Historians, Trent Shields Social Media, Peter Ewin our Honorary Solicitor and Graeme Thompson as Chair of Appeals Board. Also, I would like to acknowledge the contribution of John Craig, Gerry Cameron and Glen Scarborough.

To our biggest promoters of Subbies in Leader Newspapers. We must thank them for all the articles regarding players, clubs throughout the year. To Ben Higgins and fellow reporters many thanks and also to Paul Amy at Code Sports, thanks for your interest in Sub-District Cricket.

Special congratulations to Brenton Hodges (Williamstown) on passing the all-time wicket-keeping record of 537 dismissals in round 12, Currently on 539 being 450 catches and 89 stumpings.

During the season Caulfield hosted an Over 60's Australia v England game at Caulfield Park, and despite the challenging weather conditions, the club did an excellent job in hosting this game and promoting the Association to a wide audience of cricket followers.

Once again, the MCG is a wonderful place to host a Presentation Night. Another very enjoyable night and thanks to Mike Baird Chair of Cricket Australia as our guest speaker.

Thanks for the ride. I commenced as a player in the VSDCA in 1984 and the journey has been one of great memories both on and off the field.

CEO's Report

The cricket season traditionally commencing on the first Saturday in October is becoming more difficult to achieve, due to suburban football across Melbourne playing Finals deeper in September, leaving councils with reduced time to prepare turf wicket tables.

We have raised this matter with Cricket Victoria, as football is encroaching on both ends of our cricket season, with football clubs requiring training facilities in February and March, when we are conducting Finals.

This is becoming a greater problem each season.

Following approaches from several clubs, the Board decided to introduce a new North-West Sunday Competition, and this was supported by 10 clubs. Board Member Brendan Davey did a tremendous job in managing this competition, and it was supported by members of our Umpire Association who officiated in all games. Werribee CC was the inaugural Premiers, and we thank everyone who participated in this competition.

Moving forward, we hope that we can establish a Sunday Competition in the South and East Groups.

Regarding female cricket, we have seen a gradual expansion of sides, with the aim for all 32 clubs to be fielding female sides in the seasons ahead. Much work still needs to be done to achieve this.

In season 2024-25 we introduced a 'Salary Cap' to control player payments, which we believe have become completely out of control across Associations in Melbourne. Our Parent Body does not see the need to support such action; however, we feel unless some action is taken to curtail player payments, volunteers will be turned into glorified 'fund raisers' and community clubs will struggle to survive.

We continue to see some outstanding cricket being played across the Association, with Sahan Perera from Noble Park breaking Mick Allen's record of 957 for most runs in a season by scoring 1,071 runs, and Brenton Hodges from Williamstown passing Brent Kremer's wicket keeping record of 536 dismissals finishing the season with 539 dismissals.

A fantastic effort by both players.

The Chairman in his report has listed the various premiership and award winners, so congratulations to the clubs that won premierships and individuals who won medals or other awards.

Thank you to all the clubs which hosted Finals. You did an excellent job providing great facilities for the players and welcoming spectators to your home base.

Our 45th Hatch Presentation Dinner was again held at the 'home of sport' in the Member's Dining Room at the MCG, where we had 248 in attendance. We were honoured to have the Chair of Cricket Australia, Mike Baird AO as our Guest Speaker.

A tremendous vote count, being decided in the last round with Sahan Perera winning his second Val Holten Medal.
The JG Craig Competition was again managed by Assistant Secretary, Peter Flack who continues to display great passion for this Under 15 Competition.

I would like to acknowledge the following Umpires who reached milestones during the season:

- Gary White 200 1st XI games
- Leo Collins 200 1st XI games

Thank you to Brian Goodman, Neill Murray and John Doig for the hours they spend in their respective roles ensuring all our umpires are well coached and managed across the season and Colin Newport, President of the VSDCUA for his support throughout the season.

We were saddened throughout the season with the passing of two outstanding Association administrators in former General Secretary Daryl Thiele and in June Assistant Secretary Peter Flack.

Daryl served as Association Secretary for 12 seasons and was highly respected across all our clubs. He provided me with great guidance and support when I took over from him as General Secretary, and he was always willing to assist wherever he could.

Peter Flack has been my Assistant Secretary since 2008, and we worked closely together over these years. Peter's passion was the JG Craig Competition and seeing the development of young players progress their careers to Premier Cricket and higher. He also loved collating 1st XI & 2nd XI scores on a Saturday night and circulating them to many people who follow Sub-District cricket.

I will miss Peter and the many discussions we held about the VSDCA and cricket in general.

In closing I would like to record my personal thanks to Chairman Phil O'Meara.

Phil after 14 seasons as Chair of the VSDCA Board is stepping down from the Board at the AGM in August.

He has down an unbelievable amount of work over those 14 seasons in promoting and progressing this Association, and I thank him for the wonderful support and friendship that he has displayed to me over that time.

Thank you to Geoff Hart, David Anning and the other Board Members for their support and the club representatives for the contribution that you all make to the VSDCA.

Retirement of Board Chair Phil O'Meara

Phil has made a remarkable contribution to the game of cricket both as a player and administrator.

He was 18 years of age when he debuted with South Perth in their Premier Cricket side and then moved across to play with Fremantle winning two 1st XI premierships in 7 seasons. Phil's best year at Fremantle was the 1978-79 season in which he set a season record of 834 runs. It included a score of 160 in the Grand Final when his side made 9-578 against Subiaco.

Earlier in 1978, before he made the record 834 runs for Fremantle, Phil represented Western Australia in the Sheffield Shield against Queensland at the Gabba.

He then moved to Victoria and coached St Kilda CC from 1980-81 to 1983-84, and playing 55 games.

Phil then commenced his Sub-District connection at Port Melbourne from 1984-85 to 1993-94 playing 111, 1st XI games for Port and Senior Coach for 5 seasons. He had an immediate impact at Port winning both the Group Premiership & Championship Final in his first season at the club (1984-85) and repeated this again in season 1986-87 (Championship was shared in that season due to the game being washed out) and Group Premiers again in 1990-91.

He has a remarkable playing record of having played in 21 Grand Finals and winning 17 Premierships.

Phil was selected to play in 3 VSDCA Representative Games in seasons 1984-85 & 1985-86, Captaining the VSDCA side in 1985 against Geelong CA (wash out) and Adelaide Turf Cricket Association where the VSDCA recorded a win.

Phil then moved to Senior Coach of Kingston Saints (then in the VTCA) and was instrumental in this club joining the VSDCA in season 2003-2004, and in the merger of Kingston Saints with Premier Club Monash Hawthorn, to form Kingston Hawthorn playing in the Premier Cricket Competition.

Elected to the VSDCA Executive Committee in 2007-08, appointed as Executive Chair in 2009-10 and then Board Chair in 2017-18.

Still passionate about the game of cricket playing 'Veterans Cricket' and in 2013 gaining selection in the Over 60's Australian Side and then in December 2024 selected as Australia Over 70's Captain for the Australian side to tour New Zealand in March this year

Phil has been an innovative cricket administrator, overseeing the introduction Player Points & Salary Cap into the VSDCA, competition expansion from 28 to 32 clubs, introduction of a T20 Twilight Competition, introduction of a Sunday Competition, encouragement to clubs to field under-aged and female sides and supporting clubs with their dealings with Local Government for the improvement of facilities both on and off the field.

Also, in his dealings with Cricket Victoria, he has been a strong advocate for Community Cricket, and the need for our parent body to continue to invest in the game at a community level.

We thank Phil for his outstanding service to the VSDCA and the game of cricket.

VSDCA Chair Phil O'Meara with Cricket Australian Chair Mike Baird AO (Guest Speaker at the Hatch Presentation Dinner).

Hall of Fame

At the Hatch Presentation Dinner, there were two new inductees into the Hall of Fame.

Bill Price

Bill Price was appointed by the Port Melbourne C.C. as one of their VSDCA delegates in August 1937, which was the commencement of a long and illustrious career with the Victorian Sub-District Cricket Association and later with the Victorian Cricket Association (VCA).

Bill served on many committees before being elected Secretary, a position he held for 27 years.

During his term of office Bill saw many changes take place which included the expansion of the Association in two separate intakes almost doubling in size from 14 clubs to 24 clubs (4 clubs added in 1949-50 and a further 6 added in 1964-65).

In recognition of his service to cricket in season 1974-75 the VSDCA Executive named the Second Eleven Annual Trophy for best player - the "W. J. Price Trophy" - in his honour.

Before finally retiring from cricket administration, Bill was appointed to the position of VCA Assistant Secretary from 1974-75 to 1980-81 and on his retirement the VCA recognised his great service to cricket making him a Life Member of the VCA.

Bill was born in 1911 and passed away in January 1986 aged 74.

Anthony Gale

Anthony made his 1st XI debut in 1985-86 (second season of Melton CC in VSDCA competition).

Obituaries

Throughout season 2024-25, the Association mourned the passing of people who have made an outstanding contribution to the VSCDA and their respective clubs.

We have endeavoured to capture the contribution each gentleman has made to the VSDCA in their respective capacities either as a player or administrator or both.

David Reilly (Ivanhoe & Investigation Committee)
David was a long-standing member and tireless worker at the Ivanhoe CC, serving on the committee for many years and Club President for 2 seasons. He was a foundation member of the Ivanhoe Knights Coterie Supporters Group; this Group having raised considerable funds to enable ground improvements at Ivanhoe Park.

In his employment David was a Detective in the Victorian Police Force, and he used his police skills as a member of the VSDCA Investigation Committee (2001-02 to 2016-17) and in more recent seasons on the Appeals Board (2017-18 to 2023-24).

David was a very passionate Sub-District person.

Michael Patterson (Ormond)
Michael was indisputably one of the great cricketers and clubman to represent Ormond Cricket Club.

He was a key member of the most successful period in the club's entire history as from 1967-68 to 1974-75 Ormond won six overall Championships plus eight Group Premierships. Mike opened the batting in five of the six premierships.

Mike played juniors with Ormond and was in the U16 junior premiership team before graduating to the 2nd XI the following season. Debuting in the 1st XI in 1960-61 Mike played 22 seasons in the firsts until 1981-82, the third most games for Ormond only behind John Craig and Russell Oaten.

As well as an outstanding player, he was Chairman of Selectors for many seasons, VSDCA Club Delegate and committee member.

Mike's impact on the Ormond Cricket Club was immense and he was inducted into the club's initial Hall of Fame in 2017.

Daryl Thiele (Box Hill & VSDCA General Secretary)
Daryl was involved in cricket for over 60 years as a player and administrator.

He played Premier Cricket at Essendon, we believe he was a stubborn opening bat, then played in a 1st XI Premiership at Carnegie before moving to Box Hill where he served as a player and committee member for 10 seasons.

In 1996-97 he was elected to the position of VSDCA General Secretary, a position he held for 12 seasons stepping down in 2007-08, after which he served on various VSDCA sub-committees.

Daryl was a key member in the organisation of the VSDCA Centenary event at the MCG in 2008, celebrating the inaugural "Hall of Fame" and "Legends," an evening that held a special place in his heart.

Well respected and liked across the competition, Daryl had the happy knack of turning up at a club around afternoon tea, where he enjoyed the hospitality of the host club.

Great friend of Peter Flack, the loss of two loyal Sub-District people just months apart.

Obituaries continued

Peter Flack (Coburg, Assistant Secretary & JG Craig Competition Mgr)
Peter played 298 games with the Coburg CC; 104 games played in the VSDCA and served as Coburg Delegate to the VSDCA from 1987-88 to 1992-93.

In 1997-98 to 2007-08 he was elected to the position of Sectional Secretary, then Assistant Secretary from 2008-09 to 2024-25.

As well as Assistant Secretary, he filled the role of JG Craig Competition Manager, 2008 to 2025, a position he undertook with great passion.

The VSDCA Board in 2013-2014 named the medal for best player in 4th XI Grand Final 'The Peter Flack Medal'.

In 2016 Peter was selected in the Australian over-70s Test side to tour the UK. At this stage he was receiving dialysis treatment 3 times a week, so it was a huge effort for Peter to travel overseas and play in the UK. He continued playing Veterans Cricket around Australia for several seasons before retiring as a player.

Season 2023-2024, Peter was inducted into VSDCA Hall of Fame. A magnificent contribution to the Association and the game of cricket that he loved.

Vic Aanensen (Port Melbourne)
Vic Aanensen grew up in Port Melbourne and played both his junior cricket and football at the respective Port Melbourne clubs.

He talent was on display as a junior, and in a 4th XI game he recorded game figures of 14 wickets for 75 runs (1st innings 8/58 & 2nd innings 6/17) which saw him promoted straight into the 2nd XI.

In a 2nd XI game against Camberwell, he took 15/56 (1st innings 8/9 & 2nd innings 7/47).

Vic played 131, 1st XI games at Port Melbourne from 1972-73 to 1993-94, taking 233 wickets, he best bowling figures being 7/27 against Sunshine in the 1986-87 Group Final. He played in three 1st XI premierships in seasons 1984-85, 1986-87 and 1990-91.

After retiring as a player, he was elected Port Melbourne president for six seasons from 1993-94 to 1998-99.

The Association extends sincere condolences to the families of club members who have lost loved ones in the past 12 months.

Kookaburra Sports North/East 1st XI Group Final

PRESTON v NOBLE PARK
Venue: Preston City Oval
Umpires: Wayne Duke & Graham Hill
Result: Preston 3-96 defeated Noble Park 85

Preston won the toss and invited Noble Park to bat first on a flat pitch with a sparse covering of grass.

Noble Park was in early trouble at 2-5, before Sahan Perera and skipper Janaka Liyanabadalge steadied the ship with a 3rd wicket partnership 30 run partnership, before Preston claimed the prize wicket of star batter Sahan Perera for 13, and without any further substantial partnerships, Noble Park was dismissed for 85 off 54 overs.

Janaka Liyanabadalge top-scored for Noble Park with a patient 31 off 90 balls.

The bowling honours for Preston were shared between Marcus Murphy 3-18 and Liam Ingram 3-32.

Whilst Preston was used to batting on similar pitches at their home ground at City Oval, the slowness of the pitch made scoring difficult and when they lost 2 wickets for 35 runs, Noble Park was in the game, however some patient batting from Liam Ingram (21no) and Swapril Salvi (19no) guided Preston to their first 1st XI premiership victory since season 2002-2003.

'The Jack Batty Medal' for best player as judged by the umpires was awarded to Marcus Murphy from Preston.

HOPPERS CROSSING v CAULFIELD
Venue: Hogans Road Reserve, Hoppers Crossing
Umpires: Drew Davey & Paul Vilimovsky
Result: Caulfield 267 defeated Hoppers Crossing 92

Hoppers Crossing won the toss and invited Caulfield to bat first, and Caulfield took full advantage of the conditions being dismissed in the 80th over for an impressive 267.

Vinnie Page and Josh Agar set the foundation for a big team score with an opening partnership of 83 before Page was dismissed for 43.

The brought the very reliable and star player Jacob Thorne to the crease, and Thorne and Agar advanced the score to 161 before Agar was dismissed for 78 off 143 balls.

Nearly all the Caulfield batters made a contribution with the bat, with Thorne being dismissed for 56.

Harshit Takkar was the star with the ball taking 5-65 off 16.1 overs.

After a solid opening partnership of 37, Bibek Virk was dismissed for 25, and following his dismissal Hoppers Crossing could not gain any momentum in their batting, and the side was dismissed in the 29th over for 92.

Jacob Thorne took the bowling honours with 4-16, Ollie Hayes 3-26 and Andrew King 2-16.

'The Jack Sheehan Medal' for best player as judged by the umpires was awarded to Jacob Thorne from Caulfield.

ELSTERNWICK v HOPPERS CROSSING
Venue: Elsternwick Park No.1 Oval
Umpires: Wayne Duke & Darragh O'Donovan
Result: Hoppers Crossing 3-157 def Elsternwick 9-152

On a warm February evening and in front of a healthy crowd, Elsternwick won the toss and invited Hoppers Crossing to bat first and they took full advantage of excellent playing conditions in posting 3-157 off their 20 overs.

Captain Simon Lambert top scored with an aggressive 67, well supported by Shijit Poovathingal 38 and Parneet Bachhal 28.

In an exciting game, Elsternwick just fell short of the Hoppers Crossing score, making 9-152 off their 20 overs.

Dasun Opanayaka top scored with 36, skipper Zac Grundmann 30 and Rosh Livera 20.

The bowling honours for Hoppers Crossing were shared between Abbas Faiyaz 3-18 and Yuvraj Smith 3-32.

Representative Game v Victorian Country Cricket League

Once again, we were able to secure the Junction Oval for our annual Representative Game against the VCCL.

The VCCL batted first and were in early trouble at 3-26 resulting from some accurate bowling from Tom McQuinn and Will Sist, supported with some brilliant ground fielding and catching by the VSDCA players.

The VCCL struggled to 7-123 before some lower innings partnerships and powerful hitting saw them finish at 8-271. Tom McQuinn finished with the excellent figures of 4-49. The remaining wickets were shared amongst the bowlers.

In reply, after the loss of an early wicket, Rishi Patel and Sahan Perera set the tone for the run chase with a partnership of 92, before Patel was dismissed for 55. Sahan continued to make a brilliant 101 (retired), and he was well supported by VSDCA Captain David Wildsmith 50, then Nilan Fernando 34no and Glen Parker 21no guided the VSDCA home to victory making 4-273.

The VSDCA had not defeated the VCCL since 2018-19.

The VCCL are always a formidable opponent as they select a highly talented squad in preparation for the National Country Championships, but the VSDCA players were magnificent, playing some outstanding cricket and being well led by David Wildsmith.

Thank you to all the players who made themselves available to play, Geoff Richardson for his management of the side, Coach Michael Sheedy, selectors Paul Bain (Chair), Tim O'Brien & David Wildsmith and Gerry Cameron scorer.

It was a great day of cricket enjoyed by all who participated.

Kookaburra Sports J G Craig Under 15 Competition

BRIGHTON v MELTON
Venue: Brighton Beach Oval
Umpires: Lachlan Carney & Colin Newport
Result: Brighton 5-163 def Melton 150

In the Semi-Final games, both Brighton and Melton had narrow wins over Oakleigh and Brunswick respectively to earn a place in the Final.

In scorching conditions, Melton won the toss and invited Brighton to bat first, and they compiled 5-163 off their 35 overs.

The Damiano name is well known at Brighton, and James Damiano and Menaka Arachchige equal top scored with 48 runs well supported by Angus Occhiuto 29no.

Melton batted doggedly in the hot conditions and in an even team batting performance, they were dismissed in the final over for 150.

Mahib Mir top scored with 24, Harry Vlanks 21 and Kallen Rybicki & Samual Alford both made 20.

When considering the hot weather conditions, this was a quality game contested between two very evenly matched sides.

James Damiano was awarded the Ian Aitken Medal for best player in the Final as judged by the umpires.

Brighton CC did an outstanding job in hosting this Final providing wonderful support to the players and umpires.
